### MONTHLY SCHOOL ACTIVITIES FOR DECEMBER 2024

The days of the month December were a little busy for children and teachers as the mid-term exam was to be conducted before the closure of school for 10 days on account of Christmas. The chilly weather in this area was quite enjoyable throughout the day.. Students were regular in school classroom hours without any health issues. Please see the events held at school this month.

**MOMENT TO CHERISH :** On 9 December, the students were very joyful on harvesting the vegetables, the Cauliflower in particular, from the kitchen erected by them in leisure hours. This was the first time they planted the saplings of cauliflower in one of several vegetables being planted at the eco-friendly garden with support and guidance from the local agriculture unit by provings seeds, pesticides not harmful to the environment.

**CUTTING & TAILORING CLASS:** From 1<sup>st</sup> of this month, by engaging an instructor, we could have resumed the cutting & tailoring classes for girls of highschool class and their progress of learning the trade is quite admirable. This training program costs a little bit amount in addition to the Honorarium to the trainer monthly.

**MIDTERM EXAMINATION** : The second terminal exam for class V to X was commenced on 11.12.2024 and for class I to IV lower primary was commenced on 13.12.2024 and all exams were terminated on 19 December 2024. All the students attended the exam reporting none absentees. The teachers well monitored and clarified any difficulties to read the question to those one raised. See a few photographs.
